Students may use devices with an app such as Doodle Buddy or ShowMe to write with, whiteboard with dry erase marker or paper to write on.

The first few slides show Ready, Set, Go! Students will count each set of objects and write the number.

The next slide shows the answer and students should check/correct their answer.

Numbers go from 0 to 20.

There are three PowerPoints included. One is manual (you have to click to go through entire PPT), one stops on the answer and then you have to manually click to move on, and the other is automatic (it will advance on it's own).
