How to Catch Santa

This resource goes perfectly with the book, How to Catch Santa by Jean Reagan.

If you don't own this, the GREAT thing is that you can read it through the Kindle app. I own the book. You could easily purchase it through the app. If you have Amazon Prime - get it in TWO days.

This book goes through ALL the things that a child will need to try to catch Santa. It's cute and catchy and funny!

Directions: Copy the next 5 pages on coordinating sheets of construction paper or cardstock.

The circle will fit a 1" circle punch if you have that handy.

Place the belt first. Then, the yellow part of the buckle followed by the inside of the buckle. You can then place the buttons. My students will use three buttons.
