GREAT FOR SMALL GROUP

WHAT'S INCLUDED

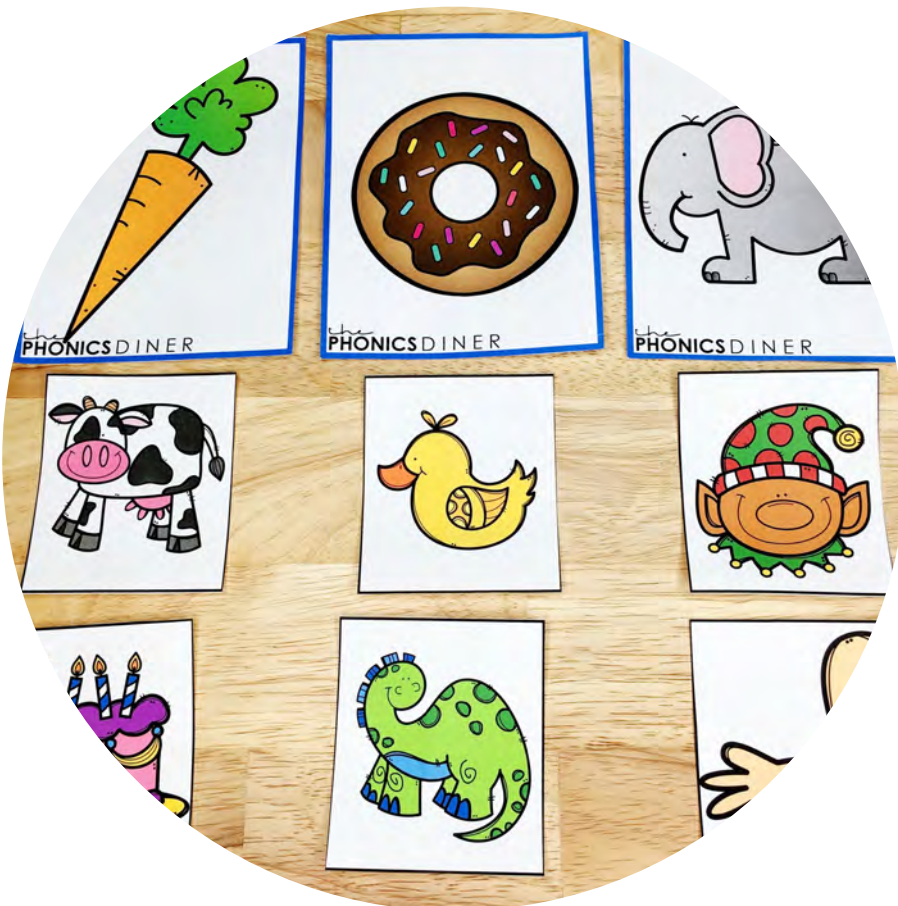

ABC small group posters are included for your letter/sound introduction. Instead of shuffling through an entire deck of picture cards, they are right here at your fingertips.

The ABC small group posters also double as word work sorting cards. Just print off a second set!

WHAT'S INCLUDED

For your students who need more phonemic awareness practice, the key word pictures are included as headers without the letters. They are outlined in blue. They can be used in place of the letters until your students are ready for the next step.

Phonemic awareness routines at your fingertips!

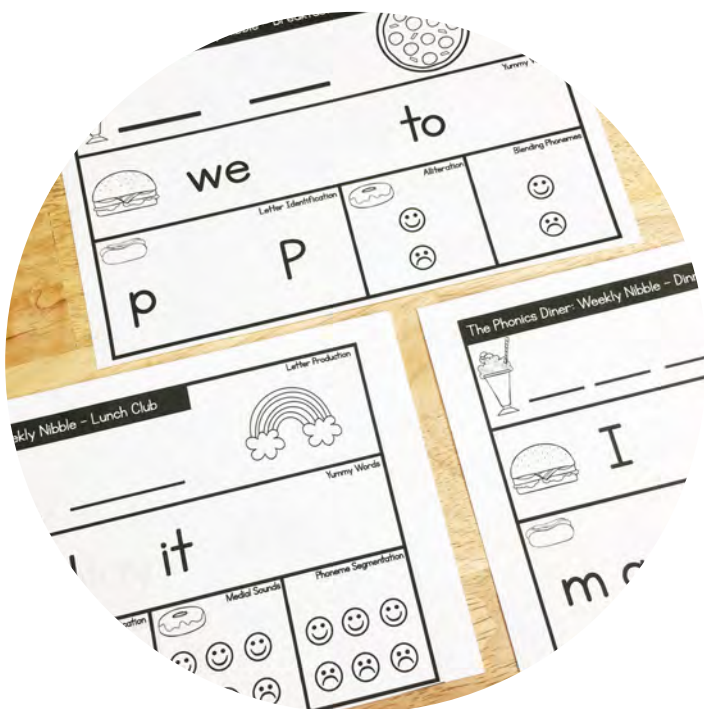

WHAT'S INCLUDED

Each group has their own decodable reader for each week of instruction.

Each book has a quick letter and yummy word review.

The Weekly Nibble is your weekly assessment. This is to be completed at the end of your teaching and after your optional Day 5 PowerPoint if you own the Whole Group lessons which include daily PowerPoints.
